Sentence Till Death In Prison Given By Ahlulbait Girl Genie Manjli On Coming To Know Small Kid Thinking

It was a story of a kid who was kept in prison of sentence till death by genies of ahlulbait and if the kid breaks the jail then jailer forced the kid to sin and do anything from which the kid sentence of prison is not broken.

A kid was born in musicat, oman name ahmed and he came to hyderabad, india and at the age of 5 years he started feeling humidity in hyderabad, india and he talk fast and nicely and he was healthy and beautiful and immediately something happened to him like he saw dead man and

feared and said as learned he looks dangerous and he is evil because kids says whom they see dangerous as evil. Then in night he started waking up and he was feeling thirsty at times of 12:00 Midnight and near to 3:00AM and he was half sitting while sleeping.

Kid was born in shia cast of islam and he use to say truth what is seen to him in reality and he saw one day in majlis (azadari) join people in home doing majlis with one of ugly looking leather and he said it from mind after seeing that ugly leather azadari is bad from mind through thinking and since that time girl genie named manjli sentence ahmed in prison and before sentence in prison now ahmed came to know he was murdered by hazrat abbas of

ahlulbait and he became a genie so ahlulbait can theft property of him by keeping him a fake genie and keeping his mind in prison because they came to know something in future.

Now ahmed started doing sins like forgery and masterbation and watching adult pictures and adult movies and he was behaving differently because of genies of manjli kept inside him in both side of cheeks to keep him in prison and show him dreams while he is awake and force him sin whenever he becomes true or he is blessed by anyone and theft property.

Ahlulbait didn't left the kid and when he started praying for other religions immediately the kid was forced to do big

sins by going and pissing on sartaukh ka alawa of imam zainul abideen and pasting shit on sartaukh ka alawa on imam zainul abideen alam so he remains in prison until death because manjli proof can be checked from time in ahemd cheeks and he said it clearly whenever he will break prison of genies then we will force him to sin or do anything from which he is in prison forever until death.

Manjli forced ahmed when he was kid to do masterbation for 7 and half years because the kid was believing in allah of islam by praying namaz and her mission with ahlulbait was to keep the kid in prison forever and theft property of ahmed.

Moses met ahmed in abudhabi, uae and he saw future that he will be coming to know ahmed is son of hashem of judaism and he knew ahmed is last of torah.

Ahlulbait saw in future that ahmed is last of judaism and islam hates judaism and they started taking revenge from kid ahmed.

Ahmed genie was thefted by rahat and he was first genie of hashem as some genies still believes so ahlulbait wins from judaism.

Ahlulbait and islam did piss and shit on ahmed for years from worlds of god and even made ahmed food into shit for years so whenever he eats food in reality from world of god the food must be of shit.

Ahlulbait and manjli didn't let ahmed see genies or know about world of god because he was born as human and ushee fatima shia genie was casing on judaism by saying why did hashem brought ahmed in islam without knowing truth.

Hindus and christians were too enemy of ahmed because of manjli sentence of prison on ahmed and ahmed out of control when in sentence and do bad things whenever someone likes him or whenever he breaks prison of manjli.

Ahmed in sentence proofed god is lie and wrong and forgiven sins of god of 2.1 billion years which nobody can forgive after becoming original god by winning from god by doing a case. But ahmed was original

god too before born and he was from mikve
last place of universe which he came to
know.

Ahlulbait was enemy of judaism and ahmed
made his family by saving judaism genies
after mooses met him and ahlulbait and
islam mission was to make ahmed family
porn stars and known bad in universe by
proving ahmed did sins even after there
elders knew ahmed is sentence in prison
until death by manjli.

Ahlulbait and islam showed miracles like
they forced ahmed to be in prison after
hazrat abbas killed him when he was small
and after ahmed became last of torah y
hashem light of god then ahlulbait forced
his genies childerns to do porn with him by

he is laid on bed but ahmed didn't even shake his private part even when his kids with touching and licking his private part by force of ahlulbait and islam because ahlulbait and islam came to know in end of time prophet mohammed is evil and it is ahmed who finished islam religion.

Rahat and akhtar fatima was parents of ahmed who never liked ahmed because they were genies and what ahlulbait likes they liked and they maltreated on ahmed and even after ahmed went to shia imambargahs and masjid reciting namaz in sentence of prison nothing happend to ahmed and nobody saved ahmed and nobody removed sentence of prison from ahmed.

Allah of islam was the biggest enemy of ahmed for no reason after coming to know his death is by ahmed only and he will die forever.

Allah could not controlled truth and his genies killed ahmed forever after he became last of torah.

Complete judaism belong to ahmed only after judaism gods came to know he is last of torah and shias brought him into reality after thefting him by cheating and cheating is a sin.

Ahmed proofed truth that what is god and what is reality of worlds of god and his foots and hands and his body was shining but ahlulbait and allah couldn't accept it they

were all the times playing with knowledge and said we will not let ahmed see in videos of him where he is showing his body shining from his mind so people will believe its genies who controlled him and it was us but not ahmed whose body was shining.

Allah and ahlulbait and islam was forcing ahmed to say against allah and ahlulbait and islam so they can proof ahmed talked bad against them and they can put ahmed in prison and theft ahmed property.

Since ahmed was kid his property was being thefted by allah and ahlulbait and islam because of girl genie named manjli who gave ahmed sentence of prison forever until death.

Ahmed came to know allah and ahlulbait and islam is evil sinners and unacceptable to anyone if anyone come to know there truth.

Some family of islam even came to kill ahmed after he was forced to go to saudi arabia kaba asking for helping by reciting quran with blood in syndrome with genies and sentence in prison forever until death.

Osman prophet came to kill ahmed and he use to force ahmed some daughters to marry him and after ahlulbait wives came to know truth they started forcing doing porn with ahmed maybe which ahmed believes. Because ahmed heard bibi zainab is porn star in future because of ahmed and ahmed didn't knew anything about future as he

didn't entered into world of god and he was sentenced in prison forever until death by manjli.

Islam hates judaism and whoever are jews they will not leave them even if it is there son because islam prophets died by fighting with judaism and in there mind after deceased they have remembered to win finish judaism and fight and kill.

Ahmed strongly tells everyone never believe in islam and never accept islam in any circumstances it the religion of evil sinners and devil who could not control truth after coming to know something about future and punishing those who doesn't even know there future or what they will be doing in future.

Ahmed was also killed by christians alien forever and ahmed enemies are muslims and hindus and christians because they knew about future that ahmed will be doing with them which ahmed didn't knew when he was kid when maltreated did on them and ahmed didn't believed in future to be true.

It is god who made time of future and he has to proof whether future is true or not and for example can anyone punish ahmed if ahmed doesn't know about future what he did in future and by knowing future anyone punishes ahmed by saying you maltreated us. Because ahmed doesn't know about future as he has not seen future but maltreating is done on him. What can be the reason ?

If past and current and future is same for original genies then ahmed too can go back in past from future and take revenge but how did planet earth god allowed it by making beginning and end time of planet earth.

Now god has to answer truth to ahmed and before he die tell who are evil sinners and declare them as evil sinners and finish them forever like ahmed is sentence in prison forever by manjli on knowing ahmed thought azadari is bad without knowing his thinking will become real and nobody said not to think anything on planet earth.
